How to get to Ho Sin Hang Engineering Building (H25):

(a) **By Train and (Big) School Bus**
   Take the school bus from the train station to Sir Run Run Shaw Hall (the 2nd bus stop) the Engineering Building is only 4 minutes walk away.

(b) **By Train and Shuttle Bus (HK$4.5 per trip)**
   The shuttle light bus service between the University train station and the Engineering Building is provided for staff, students and visitors every 30 minutes from Monday to Saturday. The service operates:
   a. An up route (University train station to the Engineering Building) every half hourly from 08:00am to 11:00pm. Please let the driver know that you have to get off at the Engineering Building.
   b. A down route (the Engineering Building to University train station) every half hourly from around 07:20am to 10:20pm.

(c) **On Foot**
   Follow Chung Chi Road, it takes about 15 minutes walk uphill from train station.

(d) **By Driving**
   Enter from the Main Entrance, DON'T TURN LEFT, drive straight ahead until you see a FOOT BRIDGE then turn right. You will see a 10-storey green Building.
